

ORDER TOUCH SCREEN

21.5 32

1920 x 1080

350 Nits

Windows 10

Touch Screen

8RAM+128GB

SHOW PARAMETER

display size
display area
resolution
visual angle
brightness
contrast
backlight type
response time
working frequency
mosaic array

32 / 21.5 inches
476.5*268.2mm
1920*1080
89/89/89/89(Left/Right/up/down)
≥350cd/m2
1200: 1
ELED
16.7M (8-bit)
60HZ
RGB Vertical strip installation

TOUCH PARAMETERS

touch control solution
type of drive
touch point number
touch medium
touch control accuracy
response time
touch calibration

Capacitance G+G
HID driver-free
Ten-point touch
Fingers or capacitive styluses
≤1.5mm
<8ms
software

SYSTEM SCHEME

CPU
internal storage
internal memory
decoding resolution
operating system
USB 2.0 interface
network
QR code
camera
card reader
printer
sound

15-4 generation
8G
Solid-state drive 128G
Supports up to 1080P
WIN 10
Two USB
One, 10M/100M adaptive ethernet. / One WIFI, BT4.1
Supports one-dimensional code & code image sensor CMOS
Dual-eye 5-megapixel / has a liveness detection algorithm.
NFC card , ID card , social security card, bank card reader.
Thermal printer 80MM
2*5W high-fidelity audio system

BODY PARAMETERS

frame material
body color
stalinite
body size
package size
packaging material
net weight/gross weight

ironware
Black and white are available
3.5mm thick high-strength physical tempered glass
1531*370*492
1600*400*500(Subject to actual conditions)
Gravity-neutral carton
28KG/30KG

WORK ENVIRONME NT

usage scenario
input voltage
operating power
standby power
service environment
storage environment

indoor
AC110-220V
≤120W
≤0.5W
Temperature: -20 C to 60C/ Humidity: 10%RH to 90%RH
Temperature: -10 C to 55C/ Humidity: 10%RH to 90%RH
